

Let's talk

are you or your family members  
interested in **health research**?

# You're invited

to a **community dialogue on health research** to discuss the development of a new provincial program that will help connect people like you to research opportunities.

## Date

Wednesday, August 30, 2017

## Time

2:00 PM - 4:00 PM

## Place

Gordon Head Recreation  
Centre - Auditorium  
4100 Lambrick Way,  
Victoria

Refreshments will be served.

No matter your age, or whether you are healthy or sick, you can help by volunteering to participate in research in a variety of ways.

**Come and share your ideas** and tell us

- why is health research important to you?
- how can we keep you informed of research opportunities?
