

Putting Patients First

Partnerships for Better Health Research

#PPF17

Conference Day:

November 9th,
2017

Our very first provincial patient-oriented research conference is designed to encourage learning and collaboration between patients interested in patient-oriented research, health researchers, health care providers and health care decision makers.

Location:

Marriott Vancouver Pinnacle Downtown, 1128 West Hastings Street, Vancouver

Date and Time:

November 9th, 2017, 8:00am-6:00pm

Keynote Speakers

Confirmed keynote speakers
include:

Dr. Vikki Entwistle
Dr. Charlotte Loppie

What's health research?

An organized way of collecting and analysing information to understand and improve our health.

We're changing health research to become more patient-oriented.

What's patient-oriented research?

Research that:

- Is done in partnership with patients
- Answers research questions that matter to patients
- Aims to improve health care
